

## Protecting Employees & Saving Lives

### AED Medical Direction

#### Meets State Requirements

Medical Oversight will be provided by a physician licensed in your state.  
AED program is covered by malpractice and liability insurance.  
Post event review (use of unit) by Licensed Physician for consultation and documentation of event.  
Write a Site Specific Policy & Procedures Manual.  
Tracking of expiration dates of equipment and training requirements.  
Coordination and registration of the unit with local EMS.

#### Why use our Medical Oversight Program?

Personal assistance with our support team at Meiners.

Internet based check off and tracking.

We cover everything listed above and you have these additional benefits.

An AED will be loaned to your company after a use until yours is recovered.

We will post review procedures with your responders to help enhance survival chances.

An analysis of your AED after it has been deployed to insure it is back in ready status.

Assistance in upgrading software to current protocols.
